

WELMICA[®]
LAMINATES

WAWEL
welart
solid colors

The Welart Collection celebrates this spirit—where design meets durability, and surfaces transform into stories. Inspired by the purity of solid tones and the rhythm of fluted textures, these laminates are crafted to elevate spaces into living works of art. More than just surfaces, Welart is an expression of creativity—seamlessly blending strength, style, and sophistication. From subtle elegance to bold statements, each sheet becomes a canvas that reflects your vision and brings it to life.

Product:

High Pressure Decorative Laminated sheets

Size:

2440mm x 1220mm (8x4)

Thickness :

1mm
(other thickness available on request)

No claim will be entertained for air bubbles

Cutting a laminate sheet at an angle of 90 degree leads to development of cracks in corner after pasting. Therefore it is advisable to avoid cutting at an angle of 90 degrees.

Product conformity to: British European Standard-BS EN 438. American Nema ID-3. BIS (Bureau of Indian Standard) is 2046

Limited Warranty:

WELMICA warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviations, to related manufacturing specification. This warranty shall be limited only to the original buyer for a period of one (1) year from the date of dispatch by WELMICA. It excludes damage resulting from accidents, abuse or lack of care,improper use and/ or any alternation. It is recommended that the product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product only. WELMICA Laminates are used for various applications, without the possibility of control over the manufacturing of the finished product.The company does not assure obligations or liabilities arising from the furnishing,sale, installation or repair, use or subsequent sale of any product, to any person or entity.

Care & Maintenance: Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particles or excess soda.

Note:

Samples presented are indicative of colour, pattern and surface finish but not actual thickness. For actual thickness of product, please check the sample attached above or check our actual products with our distributors/dealers/stock point or WELMICA gallery.
