

WELMICA[®]
LAMINATES

welmart

1mm laminate

Forget just a surface - this is a statement.
The Welmart Collection is a bold fusion of the
planet's oldest treasures and tomorrow's design vision.

We've meticulously taken the cool, classic strength of stone
and marble and seamlessly paired it with the living, inherent
warmth of wood. This isn't just blending; it's crafting.

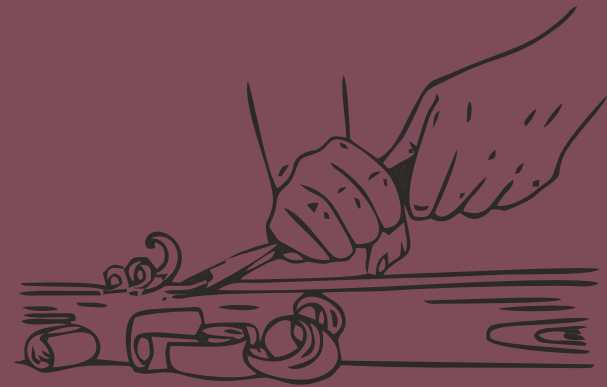

Every texture is a testament to precision and passion,
a story of artistry told not just in the finish, but in the soul of
the design. Elevate your space beyond decoration
make it an enduring reflection of your unique vision.

welmart

Advance features

FIRE RESISTANCE

Specially engineered surfaces that resist fire, ensuring safety without compromising style and design.

FADE RESISTANCE

Advanced technology keeps color rich and vibrant, protecting surfaces from fading over years of use.

WEATHER RESISTANCE

Built to withstand varying climates, ensuring durability and performance in both indoor and outdoor environments.

TERMITE FREE

Provides long-lasting protection from termites, safeguarding your designs with reliable, natural-looking strength.

SCRATCH RESISTANCE

Designed to endure daily wear, maintaining a smooth, flawless finish under frequent usage.

STAIN RESISTANCE

Innovative surface treatment prevents stains, keeping every laminate easy to clean and beautiful.

MOISTURE RESISTANCE

Protects against swelling, warping or damage caused by moisture, ensuring consistent performance everywhere.

IMPACT RESISTANCE

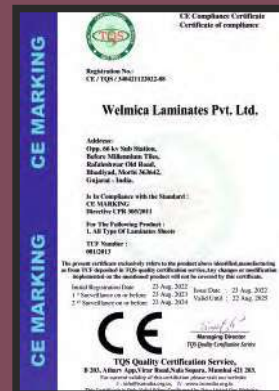

Strong construction withstands everyday impacts, preserving surfaces with unmatched toughness and durability.

ANTI-BACTERIAL

Hygienic surfaces with antibacterial properties, promoting cleaner, safer and healthier living and working environments.

Certifications

Certifications

Every product in our collection is backed by internationally recognized certifications, ensuring trust, quality, and sustainability. From safety to performance and eco-responsibility, our commitment is reflected in every sheet."

Explore the welmart world

Design is best experienced, not just seen. With our 360° product exploration, every surface comes alive—revealing its depth, texture, and character from every angle. It's an interactive way to understand how each laminate will truly feel in your space.

From the fine veins of marble to the natural warmth of wood and the artistry of abstract patterns, 360° viewing lets you step closer to reality. It empowers architects, designers, and clients to visualize with confidence, making the journey from imagination to creation seamless and inspiring.

built for bold imagination

Crafted as a designer's toolkit, Welmart embodies a union of texture, tone, and technique. It gives architects the freedom to translate ideas into inspiring realities - where every surface becomes a statement. It reflects the precision, passion, and purpose of those who build beauty into everyday life.

Earthgrain collection

The Earthgrain Collection brings natural wood grains to life with unparalleled technical precision. Each design is synchronized with realistic textures, creating an authentic look and feel that deeply resonates with nature itself. Crafted for interiors that demand elegance and depth, Earthgrain redefines how surfaces are experienced - both visually and to the touch. It's the perfect, timeless natural essence for wardrobes, wall panels, and luxury furniture.

Stonique collection

The Stonique Collection is engineered for demanding, heavy-duty spaces. Its superior composition offers exceptional impact resistance, longevity, and a flawless finish that stands the test of time. The extra thickness ensures robust beauty while maintaining a high-end, luxurious aesthetic. Stonique is the ideal, durable choice for doors, partitions, kitchen shutters, and high-traffic areas.

welmart

where ideas take surface

A celebration of creativity and craftsmanship, Welmart stands at the crossroads of design and durability. Thoughtfully curated for architects, it transforms ordinary surfaces into expressions of identity and innovation.

Technical Specification

PROPERTIES	SPECIFIED VALUES AS PER IS:2046-1995	WELMICA CONFORMS
Thickness	1 mm (+-10%)	✓
Resistance to Surface	350 (revolution)	✓
Resistance to immersion in boiling water - Mass increase (%) - Thickness increase	10.0 Max 11.8 Max	✓ ✓
Resistance to dry heat 180 degrees C	Not worse than 4	✓
Dimensional stability at deviated temperature - Longitudinal (%) - Transverse (%)	0.5 Max. 0.9 Max.	✓ ✓
Dimensional stability At 20 degrees C - Longitudinal (%) - Transverse (%)	0.375 Max. 0.60 Max.	✓ ✓
Resistance to impact by small diameter ball	20N Min.	✓
Resistance to cracking	Not worse than 4	✓
Resistance to scratching	2N Min.	✓
Resistance to staining	Not worse than 5	✓
Resistance to colour change (wool standards) - In Xenon arc light - In enclosed Carbon arc light	Not worse than 6 Not worse than 5	✓ ✓
Resistance to cigarette burns	Not worse than 3	✓
Resistance to steam	Not worse than 4	✓
Appearance	Should be free from foreign particles	✓

*All tests may not be valid for embossed & metallic laminates

Product:

High Pressure
Decorative
Laminated
sheets

Size:

2440mm
x
1220mm
(8x4)

Thickness :

1mm
(other thickness
available on
request)

No claim will be
entertained for air bubbles

Cutting a laminate sheet at an
angle of 90 degree leads to
development of cracks in corner
after pasting. Therefore it is
advisable to avoid cutting at an
angle of 90 degrees.

Product conformity to:
British European Standard-BS EN 438. American Nema ID-3. BIS (Bureau of Indian Standard) is 2046

Limited Warranty:

WELMICA warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviations, to related manufacturing specification. This warranty shall be limited only to the original buyer for a period of one (1) year from the date of dispatch by WELMICA. It excludes damage resulting from accidents, abuse or lack of care improper use and/ or any alternation. It is recommended that the product must be inspected prior to installation and our liability will be limited to the extent of the cost of the product only. WELMICA Laminates are used for various applications, without the possibility of control over the manufacturing of the finished product. The company does not assure obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.

Care & Maintenance:

Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particles or excess soda.

Note:

Samples presented are indicative of colour, pattern and surface finish but not actual thickness. For actual thickness of product, please check the sample attached above or check our actual products with our distributors/dealers/stock point or WELMICA gallery.
